LOCATION

The market town of Newton Abbot is within the administrative area of Teignbridge District Council (TDC). It is situated east of Dartmoor National Park and north of South Devon National Landscape (NL) (former Areas of Outstanding Natural Beauty (AONB)). This area is famous for its beautiful viewing spots and spectacular country walks.

Newton Abbot has an extensive range of shopping facilities, including many independent high street stores, cafés, pubs and fine dining restaurants, including a thriving farmer's market every Tuesday. Newton Abbot Community Hospital serves the town and there are an excellent range of independent and state schools within the area (including Newton Abbot College and Coombeshead Academy). Newton Abbot is also home to the Newton Abbot Race Course.

Newton Abbot benefits from close links to the seaside town of Teignmouth, which is approximately 10.3-kilometres (6.4-miles) to the west. Teignmouth has a comprehensive range of ecclesiastical, educational, cultural, employment, recreational, leisure/tourism and shopping facilities, including (but not limited to):- a leisure centre, supermarkets (Morrisons and Lidl), public houses, primary and secondary schools, cricket club, football club, a general hospital and a railway station.

COMMUNICATIONS

Road - Newton Abbot is served by the A380, which runs adjacent to the town and provides a key route linking Exeter, approximately 29.0-kilometres (18.0-miles) to the north, with Torbay, approximately 9.7-kilometres (6.0-miles) to the south. The A380 connects to the A38 at Drumbridges, providing onward access to the M5 motorway, the principal route through Devon and Cornwall and the wider regional and national road network.

Rail - Newton Abbot railway station is approximately 3.2-kilometres (2.0-miles) to the east. It provides services to Plymouth, Exeter, Bristol Temple Meads and London Paddington (via Bristol).

Air - Exeter Airport is approximately 33.0-kilometres (20.5-miles) to the north-east, via the A38. It has scheduled and chartered flights to a range of national and international destinations.

SITE

The site is situated to the south of Whitehill Road and is located to the north-western edge of Newton Abbot. It comprises agricultural land.

It is bound to the north by Whitehill Road; to the east by residential dwellings and gardens; to the south by agricultural land; and to the west by agricultural land and All Saints Church and cemetery.

It extends, in total, to approximately 2.61-hectares (6.46-acres). The site that is being offered for sale is shown outlined in red on the site plan overleaf. It is shown for identification purposes only and is not to be relied upon.

OUTLINE PLANNING PERMISSION

TDC granted outline planning permission (OPP) (application number: 19/02066/OUT) dated 8th April 2022. This is for 5no. dwellings (all open market). All matters were reserved, with the exception of access. The permission is subject to 23no. conditions.

RESERVED MATTERS CONSENT

TDC granted reserved matters consent (RMC) pursuant to the OPP (application number: 25/00354/REM) dated 15th January 2026. This is for the approval for the layout, scale, landscaping and appearance of the 5no. dwellings (all open market). The consent is subject to 13no. conditions.

PROPOSED RESIDENTIAL DEVELOPMENT SCHEME

The proposed residential development scheme (PRDS) comprises 5no. dwellings (all open market). There are 3no. 4-bed detached dwellings with parking and 2no. 5-bed detached dwellings with double garages. We are of the opinion that the scheme could be value engineered to 5no. 5-bed detached dwellings with double garages.

UNILATERAL UNDERTAKING

The Unilateral Undertaking (UU), dated 8th April 2022, states that an affordable housing off-site payment is required. We understand that there is a payment of approximately £143,234, based on the PRDS contained within the RMC, due on or prior to the commencement of development.

COMMUNITY INFRASTRUCTURE LEVY

Community Infrastructure Levy (CIL) will be payable in relation to the new gross internal floor area (GIFA). As set out in the officer's report for the RMC, and based on the PRDS, the current estimated CIL liability is approximately £120,023.42, derived from a GIFA of 1,234 sq.m.. This figure will vary depending on the GIFA of the dwellings and the timescale for commencement of development.

NEIGHBOURING SITE

TDC refused the outline planning application (OPA) (application number: 24/00301/MAJ) dated 6th January 2025. This was for 28no. dwellings. All matters were reserved, with the exception of access.

An appeal (application number: APP/P1133/W/25/3367588) was subsequently submitted and the Planning Inspectorate upheld the appeal on 21st November 2025 and granted OPP for the residential development. The permission is subject to 27no. conditions.

GTH are marketing both sites and prospective purchasers may wish to acquire them together to create a larger development scheme. Please contact the agent for further details.
